

COALITION EDITION

Winter/Spring 2011

Barrett Walker Appointed Executive Director

Following Caroline Eddy's resignation earlier this year, the Board of Directors is pleased to announce Barrett Walker has accepted the position of Executive Director of Sandhills/Moore Coalition. Barrett served as the Director of Development since December, 2009 and as Interim Executive Director since January, 2011.

"The Board of Directors is confident Barrett will do an excellent job as Executive Director," said Steve Moore, Board President. "We were fortunate to have several outstanding applicants, but felt Barrett had the leadership qualities, organizational skills and enthusiasm for our mission to ensure we continue to provide critical assistance to Moore County residents in need."

Barrett has been a resident of Moore County for 17 years. A graduate of the College of Charleston, she has extensive management experience with Pine Needles Lodge and Golf Club, Bank of America and Tanglewood Apartments.

"I've met so many remarkable people since joining the Coalition," said Barrett. "We are able to help so many through our dedicated volunteers and the tremendous support we receive from throughout the community. I'm thrilled to be part of such an incredible organization."

Barrett can be reached at (910) 693.1600 or via email at barrett@sandhillscoalition.org.

25 YEARS OF CARING

Sandhills/Moore Coalition for Human Care began as the vision of three concerned ministers and was established in 1986 by twelve area churches to better coordinate the needs of Moore County's poor.

Over the past 25 years, the Coalition has helped thousands of residents, providing refuge for those who otherwise would have no where else to turn. Supporters have grown from twelve founding churches to thousands of individuals, businesses, churches and civic groups.

It is wonderful to think of the lives that have been touched by the Coalition over the past 25 years. Our 2010 Annual Campaign highlighted "Justin," an area high school student being raised by a single mother who was disabled and unable to work. His mother recently sent us a note thanking us for the assistance we provided: **"I want to thank you for your kindness and restoring my faith in people. It is hard these days to find people who genuinely care. I know there are people who are worse off than my son and I, and your organization helps so many. I hope to one day be able to give back and help others the way you have helped us."**

Please join us on Sunday, May 1, 2011 from 3 to 6 pm at the Pinehurst Arboretum to celebrate the Coalition's 25th Anniversary. Entertainment will be provided by Sweet Lew & the Jayhawks. Admission is \$5 per person for ages 10 and up.

See page 2 for details

A Very Special Thank You!

The Board of Directors and staff of the Coalition would like to extend a very special thank you to **Tim McDonald and the staff of Muddy Oaks Management**. Muddy Oaks is a local landscaping company and every Tuesday morning, Tim and his staff have volunteered their time to spruce up the Resale Campus. Our grounds have never looked better!
